

STE CHAPELLE

CHATEAU SERIES SOFT HUCKLEBERRY

BACKGROUND

Our Soft Series wines have quickly become some of our most popular wines with their luscious fruit tone and balanced, crisp acidity making them accessible and enjoyable for all occasions. Soft Huckleberry, is our classic wine infused with huckleberries from our local area.

WINEMAKING

We take our premium Special Harvest Riesling blend and infuse it with fresh frozen Northwest huckleberries. The huckleberries are crushed and mixed in with the wine and allowed to remain for 10 weeks so that the color, flavor and aroma of huckleberries is well integrated. The wine is then racked off the huckleberries and filtered and bottled.

WINE DESCRIPTION

Classic Riesling notes of peach and apricot marry with the distinct characteristics of huckleberries. The crisp acidity of the huckleberries balances the residual sugar on the finish.

FOOD PAIRINGS

This wine is wonderful on its own or as an aperitif, serve well-chilled with salads, fruit, cheese and sweet desserts.
